HANDMADE BRICK COLLECTION

NATURE

LOHASAU.COM

Our Handmade Bricks collection includes bricks of hand-molded textures to naturally rippling textures. LOHAS Australia supplies a wide range of colours, textures and sizes of European handmade bricks that can present different moments in history.

Handmade facing bricks are more playful in shape and surface that provide an exclusive look to your project. The beauty of history comes to life with a memorable hand-shaped facing brick in your project.

5 cm less, which are important for climate protection.

Low maintenance

Timeless and sustainable

Colours that reflect the splendor and diversity of nature.

Quality and design

People have always utilized the excellent properties of natural raw materials. Clay building materials, with their diverse designs, ensure a natural living experience and significantly contribute to healthy living. These natural materials not only meet sustainability requirements but also represent an ideal combination of quality and design.

Natural look

Discover our fascinating Nature Collection, celebrated for its multifaceted colors, unique shades, and impressive color combinations that reflect the remarkable splendor and diversity of nature. In addition to their beauty, these products are durable, colorfast, and low maintenance

Timeless and sustainable

Nature Bricks feature a uniquely striking surface structure that creates dynamic facade images, forming a symbiosis between nature and architecture.
